

## Bursaries for Dowling Club trip Nepal April 5<sup>th</sup> to 15<sup>th</sup> 2019

### Important information about Royal Society of Medicine, Section of Dermatology bursaries for dermatologists in training

We are delighted that the Section of Dermatology at the Royal Society of Medicine (RSM) has once again agreed to support dermatologists in training to attend the Dowling Club trip in Nepal in April 2019. Involvement of trainees in the overseas trip is a key part of the ethos of the Dowling Club and we are keen to encourage as many trainees as possible to join us. The RSM have allocated £10,000 for bursaries with a minimum bursary of £500. The Dowling Club have agreed to top up any RSM bursaries to £1000. **All successful applicants for an RSM bursary will therefore receive £1000.**

Please note the following important information if you would like to apply for a bursary:

- All dermatologists in training are eligible to apply, this includes speciality doctors with an e-portfolio following the CESR training route and trainees in research posts
- You will be required to demonstrate (using a certificate of attendance) that you have attended a meeting of the Section of Dermatology at the Royal Society of Medicine (RSM) within 12 months of receiving the bursary
- We would like you to prepare a short case report or topic of choice (15 minutes) for presentation at some point during the overseas trip. It is hoped that it will be possible to include all presentations but this will depend on the final details of the academic content of the meeting.
- Bursaries will be claimed after the trip, so please book your trip in the usual way and information will be provided about how to claim your bursary as the date of the trip approaches
